Convention Newsletter

Dear Members of ATMA,

It is that time again, yes, two years went by since we met in Atlanta, where the last convention was held. This year the ATMA President, Dr. Deeptha Nedunchezian, and her selected team are in full convention spirit to bring you all together again in Atlantic City, NJ, at the renowned Bally's Casino and Resort during the days of August 9-11th, 2019. Come early on the 8th for special discounted room rate to enjoy the Atlantic City Casinos and other sights to see before the convention. If you want stay back no problem, again you will have special discounted room rate to relax enjoy Atlantic City Post Convention on your leisure.

The preparations are in full swing, rooms secured, meetings planned, meals and beverages arranged, "CME" in place with notables, and an entertainment as a "Pinnacle " of the event.

So "COME ONE, COME ALL", and let us make this a memorable gathering of our "Colleagues, Kith and Kin".

Please visit at the ATMA website www.atmausa.org for the various notifications as they are announced, so you can plan your trip.

As you all know the fundamental reason we have been gathering in these conventions: to renew the friendships, and meet new members and their families, and collect funds for our various projects we support in Tamil Nadu, and U.S., and initiate new ventures, promulgate new policies and procedures, and get some new insights of our notable and noble profession. Let us show our commitment and desire to participate in this year's Biennial ATMA National convention and make ourselves proud of our organization, and make it a success, as you all know "The strength is in the unity and numbers"

We also intend to publish a souvenir, with scientific articles ,
